Thanks to the support of generous people like you, Kids Helpline, powered by yourtown, has been supporting children and young people through life's challenges for more than 30 years.

But young people today are living in a more complex world and face a much broader range of mental health challenges than ever before. Our dedicated counsellors are spending more time helping young people find the strength and resilience within themselves to overcome the obstacles in their path.

In the three years to July 2022, the average length of calls to Kids Helpline increased by 31%. It is only with your ongoing support that we can make sure our counsellors have the time, training, and resources they need to give every young caller a safe space where they feel heard and understood, any time and for any reason.

Thank you for your continued support of Kids Helpline and yourtown.
