your support is strengthening the safety net

When a young person reaches out, the voice that responds becomes their anchor. For 34 years, Kids Helpline has been that steady voice of support, understanding, and hope. Thanks to your compassion, we’ve created a vital 24/7 safety net, ready to catch young people when they need it most.

The demand for our services keeps rising. Last year, we had over 130,000 conversations with young people, with 75% of them happening outside regular hours, up from 70% in 2023. Distress doesn’t follow a 9-to-5 schedule, and neither do we.

As mental health challenges among children increase and access to support becomes harder to find, Kids Helpline’s role is more critical than ever. With your continued support, we’ll always be here – ready to listen, anytime, for any reason. Thank you!
