Hope travels with you this Christmas

There's something magical about this time of year – the anticipation, the hope, the possibility that something wonderful might be just around the corner.

Our Christmas draw embodies exactly that spirit. Every ticket you purchase brings you closer to driving away in a stunning Range Rover, but more importantly, it brings hope closer to a young person who desperately needs it.

This year, we reached an extraordinary milestone – nine million responses – nine million times that we answered when a young person needed us most. Every conversation at Kids Helpline begins the same way, with a child taking that first brave step to reach out. Your support helps ensure someone will be there to answer.

This Christmas, families will gather, sharing stories and creating memories. But some young people will feel more alone than ever. Thankfully, Kids Helpline is there at any time and for any reason.

Whether you win this amazing car or simply know you've helped change a life, you're already a winner in the eyes of every young person whose call or webchat gets answered.

Thank you for choosing hope, and for giving the greatest gift of all; the knowledge that someone cares.

Merry Christmas from all of us at yourtown.
