every moment matters

Since 1991, Kids Helpline has been there for the moments that matter in the lives of children and young people across Australia. For more than three decades, our professional counsellors have provided compassionate support when needed most, answering nearly 9 million contacts from young people in need.

On 24 July, we'll celebrate our first-ever Kids Helpline Day - a date chosen as 24/7 to reflect our round-the-clock commitment to being available anytime, anywhere, and for any reason.

Every moment matters in a young life. When a child finds the courage to ask for help - whether during a sleepless night or

after a difficult day at school - someone needs to answer. When young people in remote areas feel isolated, they deserve the same access to support as those in cities. When everyday worries become overwhelming, having someone who listens and guides makes all the difference. Your ticket purchase strengthens Kids Helpline's 24/7 safety net at a time when young people face increasingly complex challenges. With every ticket, you extend our reach further across Australia, helping ensure that no matter the distance, more children receive the care they deserve - every minute, every hour, every day. Together, we can create a safety net strong enough to catch every child across Australia.
