thank you for helping every child **feel heard**

Imagine being 11 years old. You're being bullied at school and online. At home, money's tight, and there's conflict and violence. You don't know who to talk to, or how to ask for help. You don't even know where to start.

But then you hear about Kids Helpline. It's free, 24/7, and easy to reach by phone or online. Finally, you have somewhere to turn. Someone who will listen. Someone who will answer your cry for help.

Every day, Kids Helpline counsellors support hundreds of children and young people facing challenges like this, offering safety, guidance, and hope when it's needed most. It doesn't matter if it's 2 am in a remote community or 2 pm in a busy city - thanks to supporters like you, someone is there to answer the call.

Leigh, a Kids Helpline counsellor, shares one story that left a lasting impact:

"During our initial conversation, they expressed a profound sense of hopelessness, saying they were contemplating taking their own life. As we talked, they began to open up about bullying, isolation, and feeling trapped. Gradually, their despair turned to cautious optimism."

Through ongoing, free, and confidential support, the young person gained the courage to talk with their parents, who were then able to connect them with a psychologist and other services. Today, they continue to face challenges, but now have the tools, guidance, and support network to maintain hope for the future.

Your support makes this possible. When you buy a ticket, you're not just dreaming of a new home - you're helping give young people somewhere to turn, someone who cares, and the chance to feel heard, supported, and safe.

Thank you for helping us answer the call.

your support helps us answer the call today... and might deliver the call of a lifetime to you tomorrow!

Lucy*, a single mum from Sydney, has been a longtime supporter, even amid financial pressure. Her belief in Kids Helpline never wavered.

In Draw 548, after her daughter insisted they watch the prize home walkthrough - because they loved the Mudgeraba home - Lucy bought a lucky ticket. Her daughter even kept the Luxury Prize Home page open on her laptop, dreaming of what could be.

And then...the call came. In July last year, Lucy won her choice of a luxury prize home or Gold. Just like that, her life transformed.

Although she adored the home, Lucy chose the Gold for practical reasons: her work, friends, and daughters are settled in Sydney. With her win, she was able to purchase her first-ever home, have it professionally styled, and plan special experiences for her daughters - including giving them their own bedrooms for the first time. She also kept some of her Gold as an investment, enjoying a little freedom and fun along the way.

Lucy's story shows that every ticket supports a young person today... and could create a life-changing moment for you tomorrow.
