

How to fold your chatterbox

<https://www.youtube.com/watch?v=oYyySZLHK8E>

1. Cut out your chatterbox
2. Fold it into a triangle
3. Fold it into a triangle again
4. Unfold it and turn it over
5. Fold each corner in (picture sideup)
6. Flip it over and fold each corner in again
7. Fold it in half
8. Push your fingers inside to give it shape and make it move
